You can access the My Courses section on the Student Zone to access the AMIGO Learning Management System (LMS) and start your academic journey with us : Once you login to the LMS, you will be able to access the following:

  i.) **Common Room:**
     @Amity, we do not restrict your learning. Therefore @the Common room Course, you can access your live classes and recordings or previous classes and also to join classes for subject areas of your interest. Please use the following link for the steps to access your live classes: https://tinyurl.com/LIS-Guidelines
 ii.) **Certificate in Professional and Life Skills:**
     @Amity Online, we want our students to not only acquire the academic skills and the Degree that they have paid for, but also acquire important Life and Professional skills to round up their personalities. Therefore Amity Online gives you access to its "Certificate in Professional and Life Skills" course, that allows

you to imbibe skills that would support you in life and throughout
your career, completely free of cost.

The access to the rest of the courses, will be given after the academic
session starts. For succeeding in any course delivered remotely, the
Learning portal is the most important tool. Therefore it is imperative,
that you should login to the learning portal regularly and complete all
the academic requirements to successfully complete your program.
